D. O. No. 1-5/2024-PN.II

Dated the 7th April, 2025

Dean Principal Secretary,

I am pleased to inform you that the Department of Higher Education, Ministry of Education, Government of India, is implementing the Malaviya Mission Teacher Training Program (MMTTP), a Central Sector Scheme aimed to cultivate a motivated, energized and capable and skilled faculty and their overall capacity building. The guidelines for MMTTP are accessible at https://mmc.ugc.ac.in/S/MMTTP_Guidelines.pdf.

2. The MMTTP Scheme encompasses various components, including: NEP Orientation & Sensitization Program; Faculty Induction Program; Short-Term Programs & Refresher Courses; Leadership Programs; Design & Entrepreneurship; Specific Learning Disabilities (SLDs); Promotion of Positive Mental Health, Resilience, and Well-being; Cyber Security, Artificial Intelligence, STEM, Science Communication; Administrative Staff Training; and Indian Knowledge Systems (IKS). These initiatives align with NEP 2020 by equipping faculty with necessary competencies for enhanced teaching, learning, research, and academic leadership.

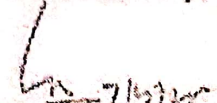

3. The Nurturing Future Leadership Program (NFLP) is a specialized 5-day training program conducted by 32 premier institutions, including IITs, IIMs, and leading private higher education institutions (HEIs). NFLP aims to cultivate leadership qualities among faculty across all levels and provide specialized training on key institutional challenges to drive quality and innovation.

4. Since its launch in January 2024, a total of 93 programs have been successfully conducted, benefiting over 2,300 faculty members. To ensure maximum outreach, we strongly encourage state-funded public universities to nominate at least 15-20 faculty members (50% participation) in each of this transformative program. The Government of India is investing significant resources, and it is our collective responsibility to ensure that faculty members across institutions fully benefit from this opportunity. The NFLP program details, guidelines and training calendar are available at <https://mmc.ugc.ac.in/NFLP/NHome>.

5. I would be grateful if you could kindly direct your Higher Education Institutions / State Funded Public Universities to leverage these capacity building programs for updating their knowledge and skills. All relevant details and Application for registration/nomination of participants are available at <https://mmc.ugc.ac.in/>.

With regards,

Yours sincerely,

(Dr. Vineet Joshi)

Principal Secretary/Secretaries to Governors / Lt. Governors / Administrators
All States/UTs Government
